

The \$100 Solution™ application

NAME: _____

ADDRESS: _____

PHONE: _____

EMAIL: _____

LOCATION OF SOLUTION PROJECT: _____

DATES OF SOLUTION PROJECT: _____

BUDGET SUMMARY:

The summary should include how the applicant proposes to use the \$100, and also a description of any additional funds needed and how that additional funding will be raised.

The budget summary should not be more than one page in length.

DESCRIPTION OF SOLUTION PROJECT:

When writing up your description, you will need to make sure the project can answer these questions:

- Does this project meet a community-determined need?
- Does this project include reciprocity between the Community Partner and the Solution Project Leaders?
- Does this project build capacity and will it be sustainable?
- Applicants must also provide a description of all background research that has been done determining that this project is worthy of grant funding.

***The description of the project must be on a separate sheet of paper, no longer than two pages in length.*

INTENDED RESULTS:

The description of Intended Results should be on a separate sheet of paper, no longer than one page in length.

EVALUATION:

All Project Leaders must conduct and hand in a written evaluation at the end of the project describing the impact of the project on the partnered Community, their clients, and the Project Leaders themselves. The Evaluation must be on a separate sheet/s of paper.
