BIO: Gareth Walsh creates artwork that questions the boundaries of perceived reality, and focuses on the illusionary properties developed through the manipulation and recombination of its parts.

His work has been shown internationally with recent exhibitions at the New Wight Gallery, Millard Sheets Gallery, Create:Fixate, and Wight Gallery (Los Angeles). 404 Festival of Electronic Art (Argentina).

Back in his home country he worked on numerous professional design projects including channel concept and animation design for the launch of MTV DESI.

EDUCATION: Sep 05 – Jun 07 University of California Los Angeles (UCLA)
